WELCOME!!

欢迎来到《美洲华语》第八册班！
大家好！我是周可心老师。我来自
中国，毕业于辽宁省科技学院英语
教育系，来美在休斯顿大学获得了
教育心理学硕士学位。

在北京从事英语教学工作。来美毕
业后，曾在 Klein ISD 担任代课教
师。

目前我还在西北区华人教会（New
Hope Christian Church）参与儿
童主日学服事，主要陪伴与教导有
特殊需要的孩子。

教学理念

语言作为交流的工具，实用性决定
了教与学的方向。我注重先培养孩
子的听说能力，让大家敢说敢听，
愿意交流，再循序渐进地发展阅读
与书写能力。“敬畏耶和华是智慧
的开端；认识至圣者便是聪明。”

（箴言9:10）希望孩子们在轻松
愉快的环境中学习中文与了解中国
的历史与文化，增长智慧，并在神
的爱中不断成长。

我的兴趣

日常生活中，我喜欢养花、烘焙和
手工制作，特别是中式传统点心的
制作。我喜欢足不出户的网络购
物，至今已有16年的网购经验。

Meet the Teacher

Mrs
Kexin 周可心

Welcome to MeiZhou HuaYu Level 8!
Hello everyone! My name is Kexin Zhou.

I am from China and graduated from Liaoning Institute of Science and Technology with a degree in English Education. I earned my Master's degree in Education (Educational Psychology) from the University of Houston. I worked as a substitute teacher in Klein ISD and completed the Texas Teachers of Tomorrow certification program.

Currently, I also serve in the Children's Sunday School at New Hope Christian Church, focusing on accompanying and teaching children with special needs.

My Philosophy

Language is a tool for communication, and practical usefulness guides learning. I prioritize listening and speaking skills first to build confidence, followed by reading and writing. 'The fear of the LORD is the beginning of wisdom, and knowledge of the Holy One is understanding.' (Proverbs 9:10) My goal is to create a fun, stress-free environment where children learn Chinese, embrace culture, and grow in God's love.

My Favorite

In my free time, I enjoy gardening, baking, and making things by hand—especially traditional Chinese pastries. I am also an enthusiastic online shopper and have been shopping online for sixteen years!
